Christmas Peace

This alcove was built for a tree!

Dreaming of a white Christmas at NHA.

Christmas at NHA is an opportunity for fellowship with God and each other.
On New Year’s Eve we all trek to Ft. Wayne to watch a hockey game. It’s such a nice time we hate to see it end. So...we return to the gym to ring in the New Year with lots of fellowship, snacks and of course we rent a cotton candy machine.
